## **Metropolitan Fire and Emergency Services Board Annual Report 2015-16 (the Report)**

Page 61 of the Report reads: *Pages 62-63 inclusive are not part of the financial statements considered in the Audit Opinion issued by the Victorian Auditor-General Office.*

This is incorrect and should read on page 60: *Pages 60 - 61 inclusive are not part of the financial statements considered in the Audit Opinion issued by the Victorian Auditor-General Office.*
