

1. FRV accepted applications between 12pm (midday) **Monday 4 May 2026** and 12pm (midday) **Sunday 17 May 2026** to fill recruit courses in 2027 and 2028. No late applications will be accepted
2. View the recruit firefighter job advertisement and click on **'Apply'** button
3. You will be directed to the **'Account sign in'** page, click on **'Create an account'** if you are new to the system or click on **'Sign in'** if you have existing account with FRV's career portal
4. To create a new account, fill in the details as requested, then click **'Create account'**
5. Once you have created an account and login to your profile, upload documents (current / up to date resume and a valid driver's licence) and answer the questions to finalise your account
6. After you have created your account, please select the Recruit Firefighter job advertisement and answer the questions within the application
7. Upon completion of the application, click on 'Apply'. You should then receive an email confirmation of your application on the registered email address shortly after you have applied.

FRV's career portal was established in September 2024. If you have requested to have your password reset and after 30 minutes you have not received your email, this may mean you do not have an account, simply create an account.

Please allow 30 minutes to complete your account and submit your application, ensuring all application fields are completed.

Kind regards,

Firefighter Recruitment Team
